We have seen God bring amazing changes in the marriages, families and individuals in our body and the community around us through the ministry of Biblical Counseling. We are excited to offer this conference in order to more fully equip pastors, leaders, and congregations in the North Georgia area to make disciples in their neighborhoods, workplaces, and local churches.

On behalf of the elders of Faith Community Church, I invite you to join us for these weekends to become a more faithful and fruitful minister to those God has placed around you.

WHAT PEOPLE ARE SAYING

These counseling seminars have given me an exciting new level of love and trust in God and how His Word is sufficient to deal with everything we face in life.

Michael Lee - Superintendent of Cherokee Christian Schools

I left the conference encouraged in my faith, motivated to continue, better equipped to help folks with their sin issues, confronted by my own idols, repentant, humbled by my lack of faith and challenged to pursue what is true.

Pam L. - Wife and Mother

As a physician, I regularly see Christians who struggle with the common problems of stress, anxiety and depression. While at my first conference, I was startled to realize that my understanding of these problems was man-centered and mostly unbiblical. I came away from this conference much better prepared.

Tim Ryan, M.D.
